

2018-19 Survey Findings

- 61 people responded to the survey open from the end of April through mid-May
- 54 indicated they are PTSA members, 6 said they aren't, and 1 didn't know. Of the 6 who aren't members, 3 said they didn't understand the importance of being a member.

Communication: 51 of 54 respondents said the PTSA communicates the right amount.

Preferred communication methods are:

1. Email from PTSA
2. Monthly Emailed PTSA Newsletter
3. School E-News
4. Facebook/Reader Board/PTSA Website

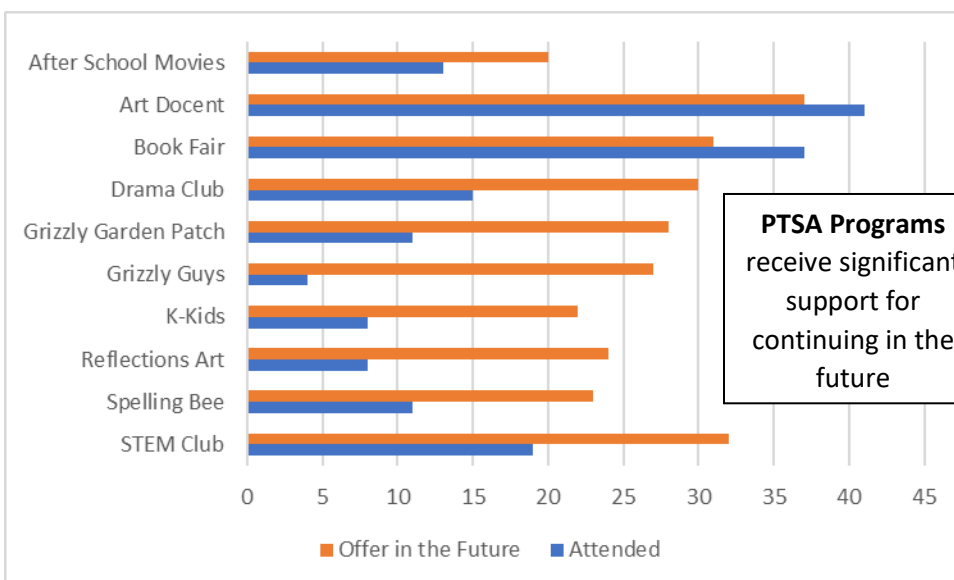

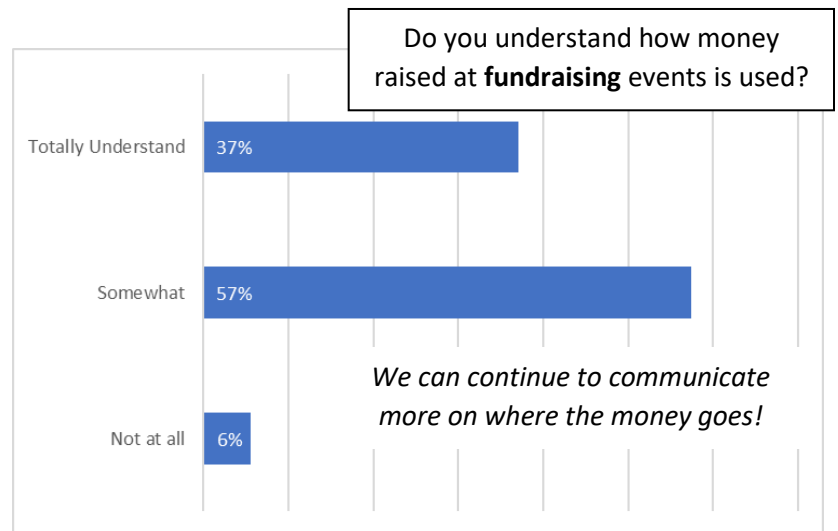

Hard copy flyers received the fewest votes!

2018-19 School-wide Events:

Back to School Social, Falloween, Talent Show, Cultural Fair, Family Engineering Night and Summerfest.

These received strong responses for continuing in the future, especially the Back to School Social and Talent Show. A few comments noted that Summerfest and Falloween can be more challenging with crowds and space.

Next year the Science Fair will replace Cultural Fair and we are considering adding an Art Walk.

Other Comments:

- Support an underfunded sister school
- Make sure PTSA Meetings highlight how to get involved
- Keep up the great work!
